2/3" B4 MOUNT KITS

Zacuto is your one stop shop for 2/3" B4 Cinematography. Zacuto kits are essential because of the weight and size of the Letus B4 lens, Letus adapter & lenses. It also serves as a platform for mounting your follow focus, matte box and lens support. Zacuto's DOF Relay Lens Kits are universal and quick-releasable; they can be used with any 15mm lightweight accessories, follow focuses & matte boxes, as well as any Sony or Panasonic that uses the wedge style tripod plate.
