ZAMERICAN ARMS

Zamerican arms are the best in the market! The new Standard. Quick-releasable on both ends of the arm so there is no more screwing or unscrewing of devices. With the flip of a lever you can install or remove any component. Equipment will no longer come loose. Now moving your monitor from camera to stand takes seconds, instead of minutes. Zamerican arms come in various sizes.

Features:

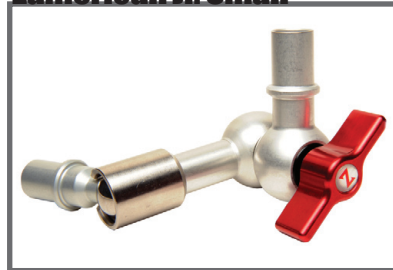

- Heavy Duty and robust but extremely lightweight
- Made with chrome balls for silk movement and aluminum ends for rust reduction
- Quick Releasable- devices can quick release off of both ends of the arm
- Arms can be extended to any length using Zacuto male rod extensions
- Must be used with (2) Zacuto Z-release mounts or 1/4 20" adapter
- Arms also available in discounted Arm Kits
